

LITTLE ESSENTIALS

HELPS PARENTS MEET THEIR CHILDREN'S BASIC NEEDS

Diapers cost the average family \$70+ per month. Reusing diapers can lead to child health problems – but it's common for cash-strapped families.

"This young woman was very stressed out ...She now travels easily with her children and is able to make all of their medical appointments." – GEMS, LE Partner

"It made me feel like less of a father and less of a man to be unable to provide for my children. Being able to bring a whole cart full of things to my child's mother's house – especially stuff that was so nice – felt so good. It made me feel like I'm a good dad."
–LE client, Youth Represent

"You give us hope and make us feel SEEN."
–LE client, El Nido

"I can relax now. I thought ACS would take my children because they didn't have winter coats." –LE client, Alex House
